Cathedral High School Transportation

Students at Cathedral come from 150 schools and 10 counties, and we are here to help those families get their students to and from school each day! Cathedral's transportation service is affordable and convenient, taking away the stress of morning and afternoon commutes.

Cathedral transportation is...

- **Convenient**
  There are six different routes that pick up at locations throughout Marion County and in the surrounding counties. We even customize routes each year to meet families' needs!

- **Affordable**
  At a cost of only $625 per year (or less than $3.50 per day) within Marion County and $900 per year outside of Marion County, Cathedral transportation is an affordable option.

- **Safe**
  Your student's safety is of the utmost important, so we provide secure pickup/dropoff locations, drivers who are Cathedral employees, and busses that pass inspections routinely.

- **Mission focused**
  Our Holy Cross values call for us to have a diverse population, which includes geographic diversity. Providing transportation is important to you–and to us!
